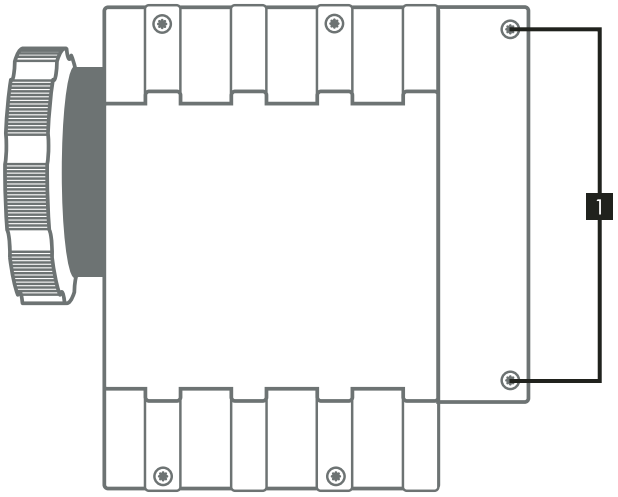
INSTALLATION

NOTE: Illustrations shown below are of the **RED SCARLET** camera and **MINI SSD GUARD**. The same steps can be applied for all **RED EPIC** and **SCARLET SSD GUARDS**.

1. Select **CAMERA**, locate and remove **M3 TORX SCREWS** next to **SSD MAG** on **CAMERA BODY**.



2. Cover plate must remain on camera at all times.
3. Select **SSD GUARD** and align **M3 HOLES** of **SSD GUARD** and **CAMERA BODY**, select and tighten **M3 SOCKET CAPS** with allen wrench.
